ENGAGE

The engage section is a playful exploration of music, nursery rhymes, lap play and parachute fun.

EXPLORE

The explore section is set up as a circuit around the room with obstacles like stepping stones, tunnels and sensory activities designed to encourage investigation and build coordination skills.

The express section of the class involves free dance movement which develops creativity with instruments, feathers and bubbles.

FAQ'S

Who can participate in the classes?

Ready Set Move is an inclusive program that welcomes all grown ups. Mums, dads, grandparents and special friends can all join in the fun. We do ask that only one grown up accompanies each toddler to help us abide by space restrictions and requirements. Grown ups need to be physically able to sit on the ground, get up and down off the floor and lead toddlers through the exercises.

What does my child need to wear?

We have the official Ready Set Move T-shirt and shorts available at the studio for purchase. Black leggings or light tracksuit pants are also an option for toddlers who are sensitive to sitting on the dance flooring. There are no dance shoes required for this class. Comfortable sneakers work perfectly.

What should the participating grown up wear?

We have matching T-shirts available at the studio for purchase. You are also welcome to wear any clothes and sneakers that you feel comfortable being active in.

Are the teachers qualified?

All teachers have their Working with Children Check and follow the program that is endorsed by early learning experts. READY SET DANCE teachers are required to gain their accreditation from READY SET DANCE head office before delivering the program.

Do we need to purchase uniform and shoes?

Students are required to wear the READY SET DANCE uniform. However, we need to make sure we are the right fit for you and your child before committing to anything. Comfortable clothes and sneakers are fine for the first couple of lessons. Once your child has settled you can purchase the official READY SET DANCE uniform at reception which we are sure you will love.

Can I watch my child's classes?

In our experience preschoolers are able to concentrate better without the distraction of other noise in the room from parents and other siblings. Our program has been endorsed by leading child care experts who support the independent learning model. As preschoolers participate in classes they have the opportunity to develop additional secure attachments with adults (teachers) and peers. This helps them transition positively into the larger world and helps with school readiness.

Having said that, a lot of children are timid at first and need to know that a parent is close by. Our program allows parents to watch the first class if necessary to help them adjust.

If we miss a class can it be made up on another day of the week?

You may swap days during Terms 1, 2 and 3 if you miss a class (as long as the make up class is not full). In term 4, each class works on a different routine for the end-of-year concert, and it is too confusing for students to be swapping days. We do recommend that you avoid alternating days too much as preschoolers need the comfort of knowing that the same teacher and their friends will be there when they go to dancing.
